## Meeting Venue Committee Charter

The ad hoc Meeting Venue Committee is formed by The Board of Directors specifically to address options available to alleviate/mitigate member concerns (attached) regarding the existing meeting venue of the Turkey Lounge at the Angus Barn.

**Desired # of Members:** 3

**Time Commitment:**

- **January/February/March - 15 to 40 hours** (depending on number of options/alternatives explored and method of exploration)
  - **Final Deliverable:** Written report of options and recommendation presented to the Board of Directors at their March 2017 Board meeting. The Board will review and either request further follow up from the Committee or prepare for presentation to the general club membership.

**End of January Deliverable** - The first recommendation of the Meeting Venue Committee will deal with recommendations on how to remain sensitive to the support of RTP Corvettes by the Angus Barn over the years. They have provided free meeting space, free appetizers and free soda's/iced tea. The Committee will recommend options regarding the form, frequency and method of communication to general club membership given this issue. E-mail recommendations to the Board of Directors.

**Minimum Options to Explore:**

1. Stay in Turkey Lounge at Angus Barn and formulate plan for improvements to mitigate issues voiced in survey. Explore costs for better sound system, etc.
2. Stay at Angus Barn in another area, if possible. Explore costs, if any, etc.
3. Investigate options for moving to another facility. Provide suggestions of other locations.

<b>Comment</b>	<b>Category</b>
Club has grown out of current facility.	Venue: MTG
We are constrained by the venue....little opportunity to move around and talk to people.	Venue: MTG
Larger area with better seating	Venue: Mtg
Change the location. It's a challenge to hear everything and folks typically sit in the same area. Create an icebreaker to mix-up the clicks.	Venue: Mtg
Love the Angus Barn!	Venue: Mtg
We need to see if we can meet in another room which is larger. I love the Angus Barn as a meeting place. It offers great amenities and good parking. It's a "draw" whenever I invite people.	Venue: Mtg
I think more interaction requires a different meeting venue.	Venue: Mtg
Club meeting location is not conducive for a business meeting.	Venue: Mtg
You/we need to look at other meeting spaces...we have outgrown the Wild Turkey Lounge and the people on back side of bar are somewhat left out of proceedings. I know that some people enjoy the "free" food and soft drinks but everyone in this club can afford to pay for these items if they were not gratis.	Venue: Mtg
Keep doing events like Biltmore and Angus Barn club meetings and Holiday Party at these locations are some top tier events that no other club can boast!	Venues
